Project 1748: Update on review

Dear John Willis, Chuop Paris, Christie Pollet-Young, Janice McMahon, and José Luis Fuentes,

Further to our review notification letter dated 19 June 2023, Verra is reviewing project 1748, Southern Cardamom REDD+ Project.

Verra is broadening the scope of its review to include, in addition to the validation (VCS and CCBS) of the project conducted by SCS Global Services:

- The first verification (VCS and CCBS) of the project conducted by SCS Global Services;
- The second verification (VCS and CCBS) and the validation and first verification (SD VISTA) of the project conducted by Aster Global; and
- The third verification (VCS and CCBS) and the second verification (SD VISTA) of the project conducted by AENOR.

Verra intends to shortly issue review reports to SCS Global Services, Aster Global, and AENOR, respectively, for their attention.

Sincerely,

Farhan Ahmed
Chief Program Management Officer
Verra
