

Validation Statement

Climate, Community & Biodiversity Standards

Third Edition

Project Title	Southern Cardamom REDD+ Project
VCS Project ID	PL1748
Project Proponent(s)	Royal Government of Cambodia, Ministry of Environment Contact Name: Chuop Paris, Deputy Secretary General, National Council for Sustainable Development Email : Paris.ncg@gmail.com Phone : +855 017 313 366
Project Location	Cambodia, Koh Kong Province
Date of Validation	30 November 2018
Date Validation Expires	30 November 2023
Distinctions	Gold Level: Climate Change Adaptation Benefits and Biodiversity Benefits
Type of Validation	Initial Validation
Validation Opinion	The Southern Cardamom REDD+ Project complies with the validation criteria for projects set out in the Climate, Community, and Biodiversity Standards Version 3. The audit team holds no qualifications or limitations regarding the above statement. The project is reasonably likely to achieve the estimated GHG emission reductions, as described in the Validation Report, and the audit team concludes that the project is likely to achieve the project's stated climate change adaptive capacity and resilience, community, and biodiversity benefits.
