

Verification Statement

Climate, Community & Biodiversity Standards

Third Edition

Monitoring Period: 1 January 2015 to 31 December 2017

Project Title	Southern Cardamom REDD+ Project
VCS Project ID	PL1748
Project Proponent(s)	Royal Government of Cambodia, Ministry of Environment Contact Name: Chuop Paris, Deputy Secretary General, National Council for Sustainable Development Email : Paris.ncg@gmail.com Phone : +855 017 313 366
Project Location	Cambodia, Koh Kong Province
Date of Verification	30 November 2018
Distinctions	Gold Level: Climate Change Adaptation Benefits and Biodiversity Benefits
Verification Opinion	The Southern Cardamom REDD+ Project complies with the verification criteria for projects set out in the Climate, Community, and Biodiversity Standards Version 3. The Southern Cardamom REDD+ Project was implemented in accordance with the validated project description. The audit team has a reasonable level of assurance that the Southern Cardamom REDD+ Project achieved the estimated GHG emission reductions, as described in the Verification Report, and the audit team concludes that the project achieved the project's stated climate change adaptive capacity and resilience, community, and biodiversity benefits. The audit team holds no qualifications or limitations regarding the above statements.

Attestation

Validation/Verification Body Representative: Christie Pollet-Young
