

AENOR INTERNACIONAL S.A.U.

Verification Statement

Climate, Community & Biodiversity Standards

Version 3.1

Monitoring Period, 01 January 2021 – 31 December 2021

Project Title	Southern Cardamom REDD+ Project
VCS Project ID	1748
Project Proponent(s)	Royal Government of Cambodia, Ministry of Environment Contact Name: Chuop Paris, Director general of the General Department of Environmental Knowledge and Information at the Ministry of Environment Email : paris.ncg@gmail.com Phone : +855 017 313 366
Project Location	Cambodia, Koh Kong Province
Date of Verification	07 October 2022
Distinctions	The project was verified in conformance with the CCB Standard 3.1 edition at Climate and Biodiversity Gold Level.
Verification Opinion	The Southern Cardamom REDD+ Project complies with the verification criteria for projects set out in the Climate, Community, and Biodiversity Standards Version 3.1. The Southern Cardamom REDD+ Project was implemented in accordance with the validated Project Description. The audit team confirms no deviations to CCB Program Rules. The audit team has a reasonable level of assurance that the Southern Cardamom REDD+ Project achieved the estimated GHG emission reductions, as described in the Verification Report, and the audit team concludes that the project achieved the project's stated climate change adaptive capacity and resilience, community, and biodiversity benefits. The audit team holds no qualifications or limitations regarding the above statements.
